

Brief Update on Performance

Jacqueline Totterdell
Chief Executive

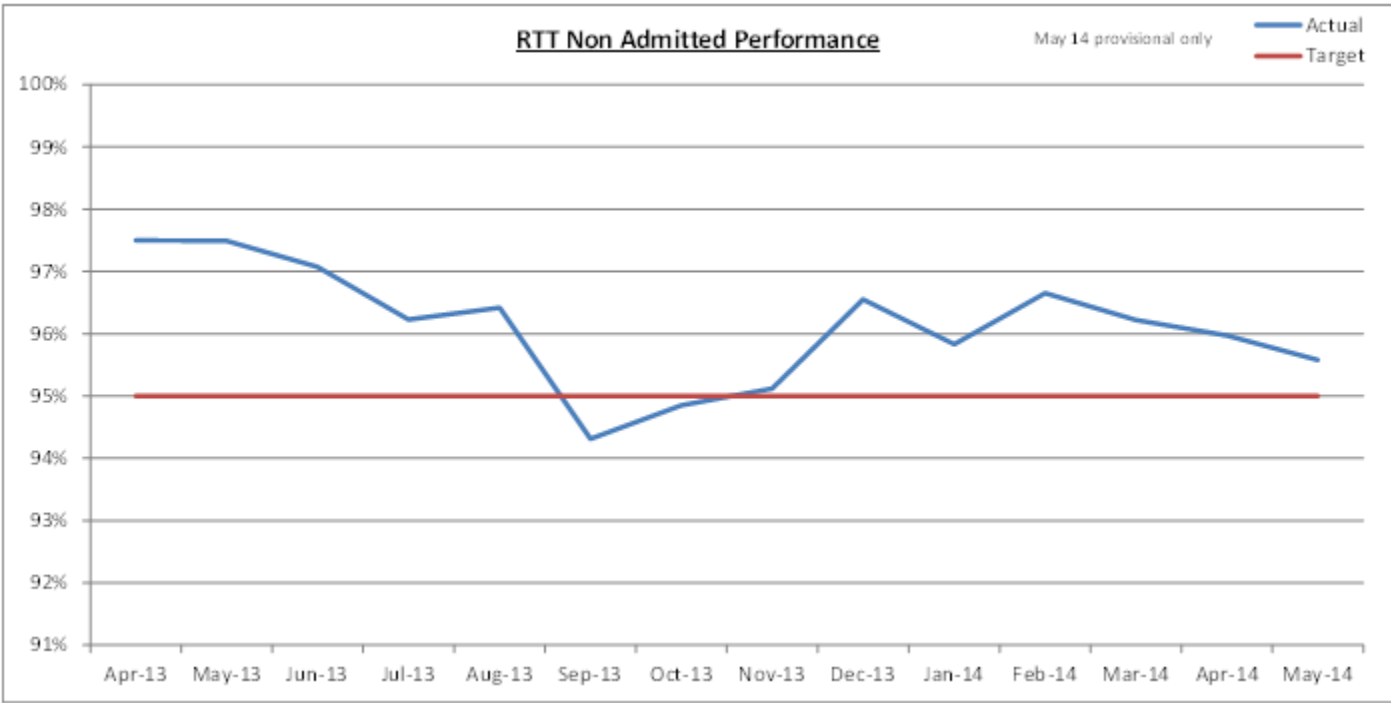

- Stabilised since the end of April
- 800 more attendances in May than in January and admissions up
- Plan should be signed off today – good progress and feedback about progression
- Context of failing performance across the country

18 week referral to treatment

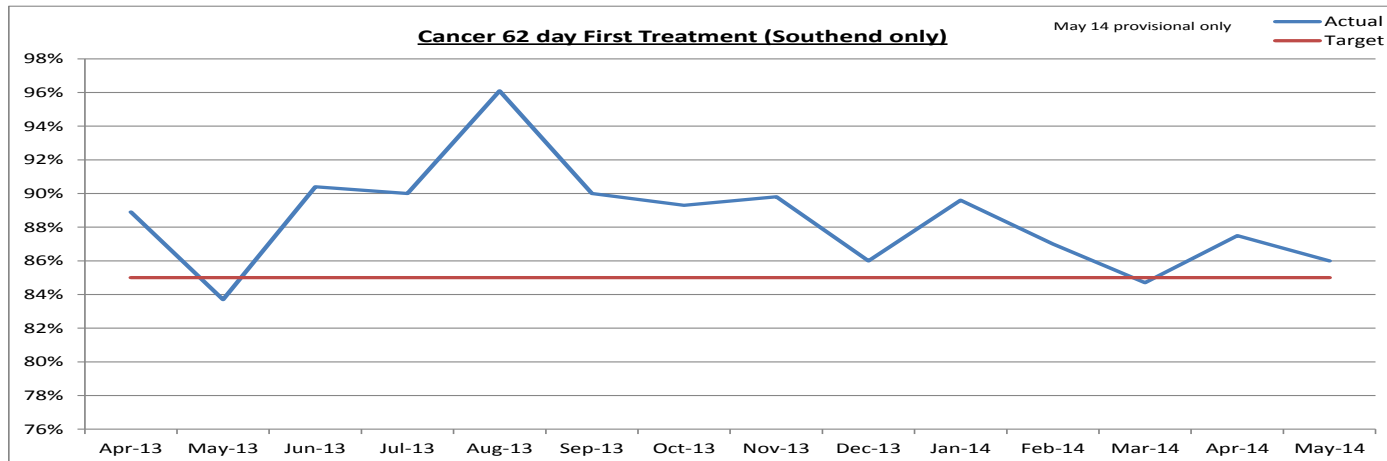

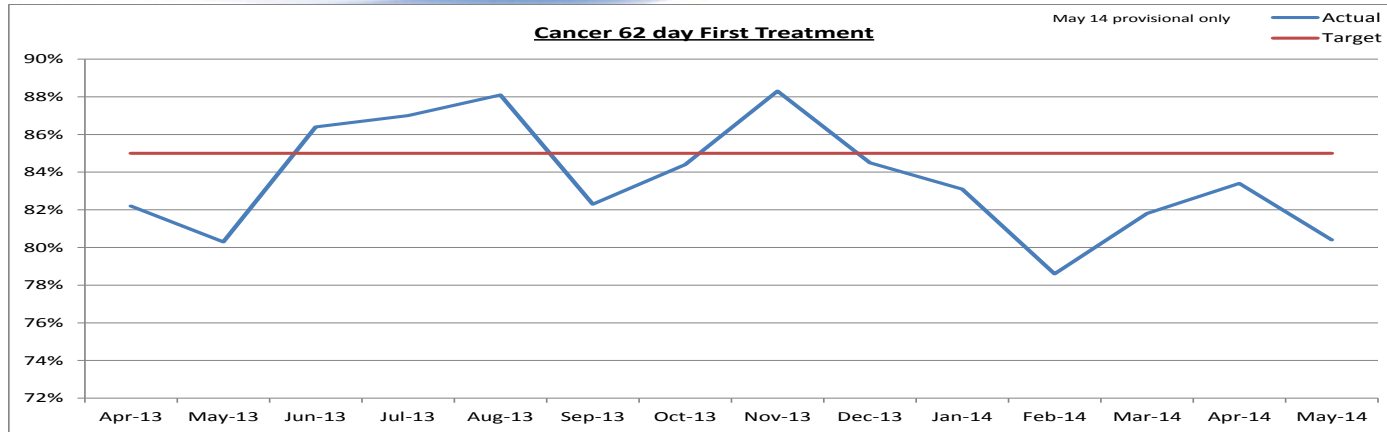

- Not being met at Trust level
- Needs to be at specialty level also
- Will be tight given requirements to shut 2 theatres for upgrade
- There will be some money available

18 week non admitted

Cancer 62 day performance

Cancer Symptomatic Breast
