

May 2011

I would like to make a request for information regarding Stroke documentation at Southend University Hospital NHS Foundation Trust.

1. Please could you supply the following information:

- b. Patient Care Pathways relating to Stroke and/or Atrial Fibrillation (SPAF);*
- c. Treatment Protocols relating to Stroke and/or Atrial Fibrillation (SPAF);*
- d. Clinical Guidelines relating to Stroke and/or Atrial Fibrillation (SPAF).*

Please find below list of our Stroke and Atrial Fibrillation guidelines, which can be made available on request.

CG214 TIA and Stroke Algorithms
CG215 Acute Management of Stroke Patients
CG216 ROSIER Recognition Of Stroke In Emergency Room
