

May 2011

1. *How many maternity units do you have in the Trust?*

One.

a) *How many midwives staff your maternity units?*

We have 109.06 WTE which equates to 131 people.

b) *How many vacancies are there for midwives in your maternity units?*

Currently there are 8 WTE.

c) *How many of the midwives working in the maternity units have received their full training by experts in the field?*

All midwives have received full training.

d) *How many of the midwives working in the maternity units have yet to receive their full training by experts in the field?*

None.

e) *How many of the midwives working in the maternity units are students?*

By definition they are students so not midwives. We have approximately 30-36 students circulating depending on their University sessions.

2. *How many birth centres do you have in the Trust?*
