

July 2011

I am writing to obtain information about costs and fees associated with the Foundation Trust's treatment of overseas patients, since 1997.

(a) How much has the Foundation Trust received from chargeable patients in each year since 1997?

Please see the table below in respect of the information held by the Trust since 2005-06.

(b) How much income due to the Foundation Trust from chargeable patients since 1997 has not been collected?

The value of the debts written off is also shown in the table below.
