I would like Information regarding your Foundation Trust lead in Capital Development, Estates and Facilities Management. Would it be possible to have access to their e-mail address or their PA's e-mail address? Alternatively, their names and contact details would suffice.

Under section 21 of the Act, we are not required to provide information in response to a request if it is already reasonably accessible to you. The details about our Facilities department and Estates Development team can be found on our website www.southend.nhs.uk and can be located under the heading 'Hospital Services' in the section 'Other Services'.

The telephone number for the Trust is as above and our standard email address is `firstname.lastname@southend.nhs.uk`.
