1. *Please can you let me know if the Trust has Guidelines in relation to Fertility Treatment & funding?*

Yes, the Trust has guidelines. We follow the Strategic Health Authority (SHA) agreements as the SHA commission the service with the external providers.

This information is already in the public domain and can be found on the East of England Specialist Commissioning Group website
http://www.eoescg.nhs.uk/Services/Fertility_Services.aspx.

2. *I would like to know how many cycles are included & the guidelines set for the treatments also.*

The Primary Care Trust (PCT) currently fund 3 cycles of treatment.
