

September 2011

We are trying to build a national picture of nurse staffing in the UK and are contacting Hospitals in the Anglia Patch.

1. What are the countries of qualification of your Nursing staff?

Please see details of the information you have requested in the table below.

2. How many staff qualified in each of the countries listed above?

Total Nursing and Midwifery Council (NMC) registered nurses	1203
Total nurses qualified in the UK	978
Total nurses qualified abroad	225

The Trust only employs nursing staff who are Nursing & Midwifery Council (NMC) registered.

Country of Qualification	Number
