

October 2011

- 1. How much private income is normally generated for the trust, broken down to hospitals if you have more than one in your trust? (eg 12.5 million a year for X hospital, 10 million a year for Y hospital)...(just want a very general figure– go by latest)*

For the financial year 2010/11, Private Patients generated an income of £551k and Overseas Visitors generated an income of £69k.

- 2. How much private income is currently owed to you - by Greek nationals (broken down by hospitals)?*

There is currently no private income owed to the Trust by Greek nationals.
