

November 2011

I am asking you under legislation of freedom information request what are total amount of invoices raised in your trust for patients who got NHS treatment, where the patients did not qualify for this said treatment.

I do not have any interest in private care – please do not include this in your kind response, just those who are not entitled (e.g. From Nigeria – foreigners who you had to bill).

Please simply send this for me in three parts.

- 1) A one figure for financial year 2008/9*
- 2) A one figure for financial year 2009/10*
- 3) A one figure for financial year 2010/11*
