

April 2012

1a. How many **Inguinal Hernia Repair** procedures were performed in the period 1st April 2011 to 31st March 2012 at the Trust? (or the most recent 12 month period you have available recorded data)

1b. Of the total procedures (referred to in **1a**) how many were performed laparoscopically?

1c. Of the total procedures (referred to in **1a**) how many were performed by a conventional open surgical procedure?

1.d. Of the total procedures (referred to in **1a**) how many were performed as a day case?

2a. How many **Ventral/incisional Hernia Repair** procedures were performed in the period period 1st April 2011 to 31st March 2012 at the Trust? (or the most recent 12 month period you have available recorded data)

2b. Of the total procedures (referred to in **2a**) how many were performed laparoscopically?

2c. Of the total procedures (referred to in **2a**) how many were performed by a conventional open surgical procedure?

3a. How many **Umbilical Hernia Repair** procedures were performed in the period 1st April 2011 to 31st March 2012 at the Trust? (or the most recent 12 month period you have available recorded data)

3b. Of the total procedures (referred to in **3a**) how many were performed laparoscopically?

3c. Of the total procedures (referred to in **3a**) how many were performed by a conventional open surgical procedure?

4a. How many **Inguinal Hernia Repair** procedures were performed in the period 1st April 2010 to 31st March 2011 at the Trust? (or the most recent 12 month period you have available recorded data)

4b. Of the total procedures (referred to in **4a**) how many were performed laparoscopically?

4c. Of the total procedures (referred to in **4a**) how many were performed by a conventional open surgical procedure?

4.d. Of the total procedures (referred to in **4a**) how many were performed as a day case?

Please find below the data in response to questions 1 to 4 above.

| <i>Procedure</i> | <i>Total Procedures</i> | <i>Performed Laparoscopically</i> | <i>Performed by Conventional Open Surgical Procedure</i> | <i>Day Case</i> |
|--|-------------------------|-----------------------------------|--|-----------------|
| <i>Q1 - Inguinal Hernia Repair Procedures 1st April 2011 to 31st March 2012</i> | 456 | 50 | 406 | 239 |
| <i>Q2 - Ventral /incisional Hernia Repair Procedures 1st April 2011 to 31st March 2012</i> | 150 | 22 | 128 | not requested |
| <i>Q3 - Umbilical Hernia Repair Procedures 1st April 2011 to 31st March 2012</i> | 164 | 26 | 138 | not requested |
| <i>Q4 -Inguinal Hernia Repair Procedures 1st April 2010 to 31st March 2011</i> | 471 | 72 | 399 | 261 |

5.a. *What percentage of all surgical procedures were performed as a day case by the Trust in the period 1st April 2010 to 31st March 2011?*

80.81% of all **elective** procedures were performed as day cases.
